Re: Consent Letter Motion to Extend Filing Deadlines  
*K2M Design v Schmidt et al.*, 22-cv-03069-MKV

Dear Judge Vyskocil:

I represents Defendants Gene Lim and FilmWest Global Partnership LLC in the above matter. Currently, Defendants and Plaintiff K2M have a May 30 filing deadline for post-discovery motions. I request an extension of three weeks, until June 20, for both parties to file these motions. Plaintiff joins this request. I am preparing for a homicide trial in *People v. Williams*, Case No. 02146/2018, in Kings County Supreme Court. The trial was delayed because the district attorney was unable timely to gather police witnesses for this 2011 homicide. Pre-trial hearings are underway and jury selection starts May 30. We expect 20 days of trial. Based on the above, I request modification of the post-discovery schedule order to permit filing of the parties' post-discovery motions by June 20 or later. Thank you.
